

Trust In Your Plan

Managing a benefit plan requires time and resources. Take that burden off your team with coverage from the Greater Columbia Manufacturing Benefit Trust. You will have a full suite of resources and comprehensive third-party administration:

- Large group buying power at competitive rates for small group employers
- Third-party administration for health benefits includes consolidated billing and COBRA administration at no additional cost
- Unlimited access to a dedicated, professional, personal touch customer service team
- Basic life and AD&D benefit of \$15,000 is bundled with all medical plans, with buy-up options available
- Access at reduced rates on in-person and webinar trainings on a variety of HR and legal compliance topics
- MDLive 24/7 telehealth option offered at \$10 per visit (not subject to deductible) on non-HSA plans
- Value-driven insurance product portfolio provides a flexible range of deductibles from \$250-\$5,000
- Employment-related tools and advisors provided in association membership
- Your employees and their families can travel stress-free with coverage by the Standard's Travel Assistance
- NEW for 2019 – online enrollment and payment portal
